Leader: On this Mother's Day, The Festival of the Christian Home, let us praise God for Mothers.

People: Each of us gathered here are a son or a daughter of someone as well as children of God.

Leader: We celebrate in worship those who have mothered us in our lives;

People: Some who are typical and some who are not; some for whom it is natural and some for whom it is difficult; some who are biological, some who are adoptive, and others who have been a mothering influence for us.

All: For all of these we give you praise, O God. Amen.
