

**RECURRING
ACH Direct Donation Authorization**

We are pleased to offer you a new service - the Direct Donation Plan. Now you can have your donation made automatically from your checking or savings account. And you won't have to change your present banking relationship to take advantage of this service. The Direct Donation Plan will help you in several ways:

- It saves time - fewer checks to write
- Helps meet your commitment in a convenient and timely manner - even if you're on vacation or out of town
- It saves postage
- It's easy to sign up for, easy to cancel
- No missed giving opportunities

Here is how the Direct Donation Plan works:

You authorize a regularly scheduled amount to be made from your checking or savings account. Then, just sit back and relax. Your donation will be made automatically on the specified day. And proof of giving will appear with your statements.

The authority you give to change your account will remain in effect until you notify us in writing to terminate the authorization.

The Direct Donation Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete the attached authorization form and return it to us.
